

Let's Read the Bible!

From Genesis to Revelation in One Year

This plan takes you through the entire Bible in one year. It's built around three principles:

1. We start in Genesis and end in Revelation, following the order of the books in the Old and New Testaments.
2. We move between New Testament and Old Testament books to give variety to the daily reading. In the traditional plan, you don't get to the New Testament until October. This plan introduces us to Matthew in February.
3. Since Psalms is a book of shorter worship songs, we break the 150 psalms into 10 groups of 15 psalms each. That means we will encounter Psalms 10 different times this year.
